I, _____ (client) understand that the massage therapy provided by Saint Joseph Mercy Health System and Therapeutic Massage & Bodywork is intended to enhance relaxation, reduce pain caused by muscle tension, increase range of motion, improve circulation and offer a positive experience of touch. I further understand that massage therapy is not a substitute for medical treatment or medications. I am aware that the massage therapist does not diagnose illness or disease, does not prescribe medications, and that spinal manipulations are not part of massage therapy. I have obtained my physician's approval to receive massage therapy. I have informed the massage therapist of all my known physical conditions, medical conditions and medications.
