
RESEARCH PROJECTS

Hamill J, McMurtrie D, Segall J, Curley-Strom R. Postpartum lower extremity nerve injuries: Incidence, resolution, and associated factors. Research Advisory Committee, Research Funds, St. Joseph Mercy Hospital.

Johnson B, Ayers JW: Comparison of insulin levels to body mass index in women with polycystic ovary syndrome.

McGrail C, Bryant DR: Inter-twin time interval: How it effects the immediate neonatal outcome of the second twin.

McGuire K, Ayers JW: Obstetrical Outcomes and Donor Oocytes in Advanced Maternal Age. Research Advisory Committee, Research Funds, St. Joseph Mercy Hospital.

O'Leary SM, Rose A: Adequacy of endocervical histology samples using the kevoorkian cure versus the endocervical cytobrush. Research Advisory Committee, Research Funds, St. Joseph Mercy Hospital.

O'Leary S, Diepenhorst L, Shurley-Strom R: Assessing medical student learning and satisfaction with ectopic pregnancy education.

Wolverton K, O'Leary SM: Comparison of resident self-evaluation to faculty evaluation.

ARTICLES APPEARING IN SCIENTIFIC JOURNALS

McGrail C, Bryant DR Jr. Inter-twin time interval: How it effects the immediate neonatal outcome of the second twin. *Am J Obstet Gynecol.* 2005. (In Press)

Mozurkewich E, Horrocks J, Daley S, VonOeyen P, Halvorson M, Johnson M, Zaretsky M, Tehranifar M, Bayer-Zwirello L, Robichaux A 3rd, Drosete S, Turner G. The MisoPROM Study: A mulitcenter randomized comparison of oral misoprostol and oxytocin for premature rupture of membranes at term. *Am J Obstet Gynecol.* 2003 Oct;189(4):1026-30.

BOOK CHAPTERS

McMurtrie DG. Inadequate Documentation Can Be Extremely Costly. *Online Medical Management Magazine, American College of Physician Executives, 12/01/03, Vol 4, Issue 6.*

ABSTRACTS, PRELIMINARY COMMUNICATIONS, PANEL DISCUSSIONS AND SCIENTIFIC MEETINGS

Berg CL, Moyer GS, Ayers JW. Conservative surgical management of ovarian torsion in the presence of contralateral adnexal autoamputation. Poster presentation at the 10th Annual Resident Research Forum, St. Joseph Mercy Hospital, Ann Arbor, MI, April 28, 2004.

Berg CL, Moyer GS, Ayers JW. Conservative surgical management of ovarian torsion in the presence of contralateral adnexal autoamputation. Poster presentation at the American College of Obstetricians and Gynecologists, District V, Michigan Section, Annual Resident/Fellow Research Paper Day, Lansing, MI, May 26, 2004.

Berg CL, Simmons D, Gunaratnam NT, Churley-Strom RA, Marley JL. A prospective study of the prevalence, severity and risk factors for GERD in pregnancy (M1414). *Gastroenterology, 2004 Apr;126(4)Sup2:A-329.*

**ABSTRACTS, PRELIMINARY COMMUNICATIONS, PANEL DISCUSSIONS AND
SCIENTIFIC MEETINGS (CONT.)**

Johnson BW, Ayers JW. Comparison of insulin levels to body mass index in women with polycystic ovaries as seen on ultrasound. Presented at the 10th Annual Resident Research Forum, St. Joseph Mercy Hospital, Ann Arbor, MI, April 28, 2004.

Johnson BW, Ayers JW. Comparison of insulin levels to body mass index in women with polycystic ovaries as seen on ultrasound. Presented at the 19th Annual Abram Sager, MD Lectureship, Department of Obstetrics and Gynecology, Senior Resident Research Paper Presentations, University of Michigan Health System, Ann Arbor, MI, May 12, 2004.

McGuire KW, Ayers JW. Obstetrical outcomes and donor oocytes in advanced maternal age. Presented at the 10th Annual Resident Research Forum, St. Joseph Mercy Hospital, Ann Arbor, MI, April 28, 2004.

McGuire KW, Ayers JW. Obstetrical outcomes and donor oocytes in advanced maternal age. Presented at the 19th Annual Abram Sager, MD Lectureship, Department of Obstetrics and Gynecology, Senior Resident Research Paper Presentations, University of Michigan Health System, Ann Arbor, MI, May 12, 2004.

Simmons D, Gunaratnam NT, Berg CL, Churley-Strom RA, Marley JL. A prospective study of the prevalence, severity and risk factors for GERD in pregnancy. Poster presentation at the Digestive Disease Week and the 105 Annual Meeting of the American Gastroenterological Association, New Orleans, LA, May 17, 2004.

Wolverton KC, O'Leary SM. Comparison of faculty evaluations to resident self-evaluations. Presented at the 10th Annual Resident Research Forum, St. Joseph Mercy Hospital, Ann Arbor, MI, April 28, 2004.

Wolverton KC, O'Leary SM. Comparison of faculty evaluations to resident self-evaluations. Presented at the 19th Annual Abram Sager, MD Lectureship, Department of Obstetrics and Gynecology, Senior Resident Research Paper Presentations, University of Michigan Health System, Ann Arbor, MI, May 12, 2004.

Ayers JW, Withoef LJ, Shamma FN, Podorsek K. Primary metformin ovulation induction in polycystic ovarian Syndrome: The spectrum of insulin resistance and follicular response. Poster presentation at the 59th Annual Meeting of the American Society for Reproductive Medicine, Henry B. Gonzales Convention Center, San Antonio, TX, October 2003.

Dahl S, O'Leary SM, Churley-Strom RA. Anemia after cesarean section. Presented at the 9th Annual Resident Research Forum, St. Joseph Mercy Hospital, Ann Arbor, MI, April 30, 2003.

**ABSTRACTS, PRELIMINARY COMMUNICATIONS, PANEL DISCUSSIONS AND
SCIENTIFIC MEETINGS (CONT.)**

Obstetrics and gynecology, senior resident research paper presentations, University of Michigan Health System, Ann Arbor, MI, May 7, 2003.

Popp TN, O'Leary SM, Claud D. Evaluating an interactive computer program explaining the triple test. Presented at the 9th Annual Resident Research Forum, St. Joseph Mercy Hospital, Ann Arbor, MI, April 30, 2003. Third Place Resident Research Award

Popp TN, O'Leary SM, Claud D. Evaluating an interactive computer program explaining the triple test. Presented at the 18th Annual Abram Sager, MD Lectureship, Department of Obstetrics and Gynecology, Senior Resident Research Paper Presentations, University of Michigan Health System, Ann Arbor, MI, May 7, 2003.

Popp TN, O'Leary SM, Claud D. Evaluating an interactive computer program explaining the triple test. Presented at American College of Obstetricians and Gynecologists, District V, Michigan Section, Annual Resident/Fellow Research Paper Day, Lansing, MI, May 28, 2003. Second Place Resident Research Award.

Popp TN, O'Leary SM, Claud D. Evaluating an interactive computer program explaining the triple test. Poster presentation at the Central Association of Obstetricians and Gynecologists 71st Annual Meeting, Hilton La Jolla Torrey Pines, La Jolla, CA, October 3, 2003

Walsh MM, Bryant DR. The relationship of epidural analgesia to perineal trauma in vaginal deliveries. Presented at the 9th Annual Resident Research Forum, St. Joseph Mercy Hospital, Ann Arbor, MI, April 30, 2003.

Walsh MM, Bryant DR. The relationship of epidural analgesia to perineal trauma in vaginal deliveries. Presented at the 18th Annual Abram Sager, MD Lectureship, Department of Obstetrics and Gynecology, Senior Resident Research Paper Presentations, University of Michigan Health System, Ann Arbor, MI, May 7, 2003.

Walsh MM, Bryant DR. The relationship of epidural analgesia to perineal trauma in vaginal deliveries. Presented at American College of Obstetricians and Gynecologists, District V, Michigan Section, Annual Resident/Fellow Research Paper Day, Lansing, MI, May 28, 2003.

Zamboni-Cutter KM, Wright KA, Churley-Strom RA. Relationship between uterine contraction coupling and occiput posterior position. Presented at the 9th Annual Resident Research Forum, St. Joseph Mercy Hospital, Ann Arbor, MI, April 30, 2003.

Zamboni-Cutter KM, Wright KA, Churley-Strom RA. Relationship between uterine contraction coupling and occiput posterior position. Presented at the 18th Annual Abram Sager, MD Lectureship, Department of Obstetrics and Gynecology, Senior Resident Research Paper Presentations, University of Michigan Health System, Ann Arbor, MI, May 7, 2003.

Zamboni-Cutter KM, Wright KA, Churley-Strom RA. Relationship between uterine contraction coupling and occiput posterior position. Presented at American College of Obstetricians and Gynecologists, District V, Michigan Section, Annual Resident/Fellow Research Paper Day, Lansing, MI, May 28, 2003. Second Place Resident Research Award.

Zamboni-Cutter KM, Wright KA, Churley-Strom RA. Relationship between uterine contraction coupling and occiput posterior position. Poster presentation at the Central Association of Obstetricians and Gynecologists 71st Annual Meeting, Hilton La Jolla Torrey Pines, La Jolla, CA, October 3, 2003.
